New Spring Hats of Irresistible Charm \$12.50, \$15, \$18 and Up to \$25

Nothing could be more surprisingly smart than these new spring creations. Some are very simple, others lavishly trimmed, but scores of either type to choose from. There are many new and novel shapes, including two-inch brims and rolling brim sailors, off-the-face, tricornes, close-fitting and poke effects.

The predominating shades now in vogue include henna, brown, navy, gray, almond and many striking combinations, fashioned of silks, crepes and straws. There are Hats for all occasions, including many sports models, for those traveling southward, and a beautiful selection of street, suit, tailored and dress hats for those who stay at home—and sure to meet with the approval of the most discriminating.

Popular Priced Trimmed Hats at \$5 to \$7.95

An exceptional showing of Smart Hats at these popular prices, including all the newest styles and colors.
